

*How are we doing?
Scan the code and complete the short
survey to let us know.*

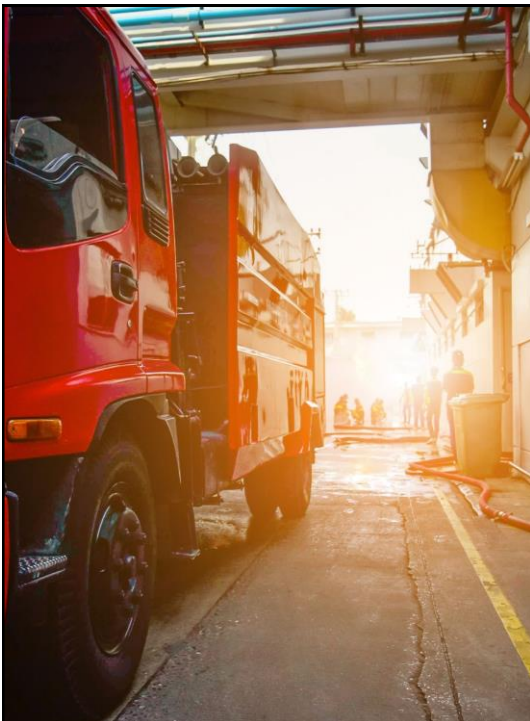

Thanks!

Announcements

Emergency Planning for Different Laboratories

Garth Phoebus, M.S. - Chief of Emergency Management, USAMRIID
 Jonathan Bratt, M.S., C.E.M., N.R.P., Assistant VP, Office of Enterprise Resilience, University of MD, Baltimore
 David Farris, Ph.D., M.B.A., C.E.M. - Executive Director, Safety and Emergency Management, George Mason University

Role of Emergency Manager or Planner

- Introductions: Name, Role, Employer
- What you do and how does emergency planning fit into your organization?
- What laboratory type gives you the most concern as it relates to emergency response?
- How do you deal with multiple locations and facilities?
- How does a Biosafety Officer get into the mindset of an Emergency Manager?

Proactive Emergency Response

- Describe your threat and risk assessment process?
- Describe your training and exercises programs? (frequency, format, who participates, multiple locations)
- Do you conduct after action reviews of exercises or drills?
- How do you communicate findings and improvements to the workforce?
- How should organizations better integrate emergency managers, lab safety teams, and subject matter experts in an emergency response?
- What can Biosafety Officers do to help facilitate preplanning and exercises?

Real World Situations/ Lessons Learned

- Can you describe a real world situation (positive or negative) that offers us lessons learned?
- How do you prepare your facility for a real world emergency?
- How do you best communicate the hazards to your organization and to the outside communities?
- In a large scale emergency, what do you do if no external help is coming?
- Is there anything you would like to share with the biosafety community?

Open Questions for the Panel

Concluding Remarks

Thank you for joining us this evening!

Mark your calendars for our next Technical Seminars:

Hearing Noise-Exposure in the Laboratory
February 13, 2024 – 12:00 to 1:30 p.m. EST
Virtual Presentation

Select Agents

Sherry Bohn, PhD, MSL, CBSP
March 7, 2024, 5:30 – 8:00 p.m. EST
Victoria Gastro Pub
8201 Snowden River Parkway
Columbia, MD 21045
